SKILLS React, Redux, JavaScript (ES6), TypeScript, Java, HTML5, CSS3, Node.js, GraphQL, SQL, PostgreSQL, Git, Webpack, AWS, Full Stack and Front-End Development

EXPERIENCE

Conductor, Inc, New York, NY

Software Engineer II

April 2023 - Present

Software Engineer I

February 2022 - April 2023

Associate Software Engineer

May 2021 - February 2022

- Earned promotion twice in under two years in recognition of contributions to multiple modules vital to product functionality.
- Spearheaded the rebuilding of legacy pages, utilizing GraphQL technology to upgrade interfaces, resulting in enhanced user-friendliness and modernization.
- Leveraged React Hooks and Typescript to manipulate large, disparate datasets, exploring creative approaches to effectively visualize information.
- Developed and maintained REST controllers using Java and Spring Boot framework to facilitate seamless communication between front-end and back-end systems of an Enterprise SaaS application.
- Contributed to the scrum process and participated in code reviews, ensuring code quality, adherence to best practices, and knowledge sharing among team members.

App Academy, Software Engineer Intern New York, NY

March 2021 - May 2021

- Guided web developer student applicants through technical interviews, assessing their analytical problem-solving skills, and providing constructive feedback.
- Conducted technical screenings of coding bootcamp applicants, assessing their algorithmic aptitude in various languages, including JavaScript, Ruby, and Python.

Utah Gas Corp, Front End Engineer Remote

January 2021 - May 2021

- Transformed class components into functional components using TypeScript and React Hooks, resulting in improved readability, maintainability, and consistent rendering across the application.
- Restructured SASS style sheets to promote cleaner code and enable multiple components to share styles, enhancing code reusability and reducing duplication.
- Implemented linting software to enforce coding standards, detect potential errors, and ensure reliable and error-free deployments.

Actors' Equity Association, Professional Actor New York, NY and Chicago, IL

June 2014 - September 2020

- Mastered over 10 shows within 6 years, often with limited rehearsal time of just 2 weeks, for performances of classic and cutting-edge musicals at Off-Broadway and regional theatres.
- Performed both leading and ensemble roles, contributing to the success of award-winning musical productions that received rave reviews from prestigious publications like the NYTimes and Chicago Tribune.

EDUCATION

App Academy New York, NY

September 2020 - January 2021

- Rigorous software development course, focusing on full stack web development

Northwestern University Evanston, IL

September 2010 - June 2014

- Graduated with a 3.6 GPA and a Bachelor of Arts in Communication degree.
